## Series Ambiente

FREESTANDING

The freestanding luminaire from the Ambiente line was created as a result of cooperation between the CHORS brand and Piotr Kalinowski (Modelista). It draws attention as a beautiful decoration of the interior and could easily replace a painting or sculpture while providing delicate, pleasant and very atmospheric light. It will be a perfect complement to a bedroom, living room, or hallway.

Basic, complementary, and spot lighting. It will work perfectly at establishments such as clubs, galleries, and hotels, but also as lighting for the office and home.
