

BOTTLE

Bottle is a modern, Swedish made design lighting that gives a comfortable impression and fits just as well in public spaces as in your private favorite room. The base is built out of bent pipes lacquered in timeless colors which is combined with a textile shade, either in matching or deviating colors. The shades textile material also has desirable properties such as flame retardant and also sound absorbing properties, which provides an extra security in your product selection.

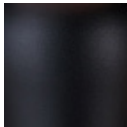

Design: Joakim Fihn

Item no.	Base 3710, Wool shade 9479
Category	Floor Lamp
Material	Metal, textile
Cord	2,5 m textile cable
Switch	Switch on socket
Dimmable function	No
Voltage	230V
Socket	E27
Wattage max	20W
Classification	
IP Class	IP20
Height incl. shade mm	1717
Depth incl. shade mm	270
Height shade mm	540
Ø shade mm	270
Light source included	No
Recommended light source	872209, E27 DIM 8W
