

Dear UIMAGE Partner,

UIMAGE is launching an improved version of Asteria Micro, called Asteria Micro V2.

Please find the product information in our spec sheet attached. Kindly also find all relevant information, such as EAN Code and old and new item number in the excel file attached.

We are happy to inform you about the following improvements:

- Energy class of light-source D (before it was E)
- Power consumption 9W (before 12W)
- Lumen 450 (before 370)
- The light is now dimmable (new driver in canopy) with external dimmers

Please note that the switch to version 2 of Asteria Micro is an ongoing process. This means that version 1 will be confirmed and delivered as long it is in stock. First when version 1 is out of stock, version 2 will be confirmed and delivered. The weekly stock update will inform about the switch to version 2 and availability for each item.
